Automatic Rebalance? If NO, skip to Section 3.3

To enable the ability to setup the automatic rebalancing of your Model Portfolio at specific frequencies. If not selected, you can manually rebalance your Model Portfolio on demand via the Manual rebalance feature.

Frequency (Daily, Weekly, Fortnightly, Monthly, Quarterly, Half-yearly, Annually)

The period of time between automatic rebalances. The day the automatic rebalance would be executed is derived from the commencement date selected. Example: If you select a Quarterly frequency and your commencement date is the 5th of July, Quarterly rebalances would occur on the 5th day of October, January, April, and July.

Commencement Date

The date you wish to execute your first automatic rebalance. This date will also be used to derive the next occurrence of the Portfolio rebalance based on the frequency selected.

Minimum Order Value The minimum order amount used when rebalancing your Portfolio based on the allocations defined. If the rebalance engine

\$

determines that an order required to align your assets to the target allocations falls below the minimum order amount, that order will be filtered out.

Rebalance Type If 'At Target' is selected, then orders will be created to align to the target allocations defined for the Model. If 'Align to Target' is selected, then any excess cash will be used to buy into assets based on the target allocations

The Estimated Account Balance is an estimate of a member's account balance which is used to calculate a reasonable estimate of the fees that will be charged to the member for the twelve months up until the End Day. If you consent, the actual amount that you will pay from your Account will depend of the date your consent is received, rounding and the value of your account during the period.

#### By signing this Form, you acknowledge that:

- You will pay the following one-off advice fee from your Account.
- Platformplus Super Wrap superannuation is required by law to obtain your written consent before the fee for financial advice can be deducted from your Account and paid to Infocus Securities Australia Pty Ltd. If you are not happy with the amount described, you do not have to provide consent.
- Your consent expires once the amount is deducted from your Account. This means Platformplus Super Wrap superannuation or your Adviser will have to ask for your consent again if Platformplus Super Wrap superannuation wants to deduct fees from your Account for further advice provided by Infocus Securities Australia Pty Ltd in the future.
- You may withdraw your consent to the deduction of advice fees from your Account at any time by contacting the Platformplus Super Wrap superannuation fund at the contact details below.
- A withdrawal of consent must occur before the amount has been deducted from your Account. The advice fee amount will be
  deducted once consent is received and when there is sufficient available cash to fund the payment.
